## ABOUT US

Welcome to Okelcor, where we are revolutionizing the tyres industry. Our commitment goes beyond just supplying tyres; our mission is to simplify the tyre purchasing process while allowing our clients to easily compare prices and specifications. We aim to provide our customers with valuable data and transparency throughout the purchasing process of ordering used tyres.

With a wide range of brands and sizes to choose from, we offer you the freedom to select the perfect fit for your needs. What sets us apart is our dedication to providing a full inventory of your purchase, ensuring you have comprehensive information at your fingertips. This level of detail and service is uncommon in the industry, but we believe it adds immense value and peace of mind to our customers.

At Okelcor, we prioritize your satisfaction and the environment. By opting for used tyres, you're making a cost-friendly and environmentally conscious choice. We take pride in our positive environmental impact, as we contribute to reducing waste and promoting sustainability through the reuse of tyres.

80% of our stock consists of high-quality European Brand used tyres. This means you can trust in the reliability and performance of these reputable brands while enjoying significant cost savings.

# GROWING TOGETHER
